

Directions to The Green Backpackers

By Bus from South -

You will need to get off at the station in the center of town. You will come up to Mitzpe Ramon out of the crater and the bus stop is immediately after you come off the traffic circle. That is the 'central' part of Mitzpe Ramon. If you need to take out money from the bank or buy food, then you might want to do it then in order to save the walk back there later...

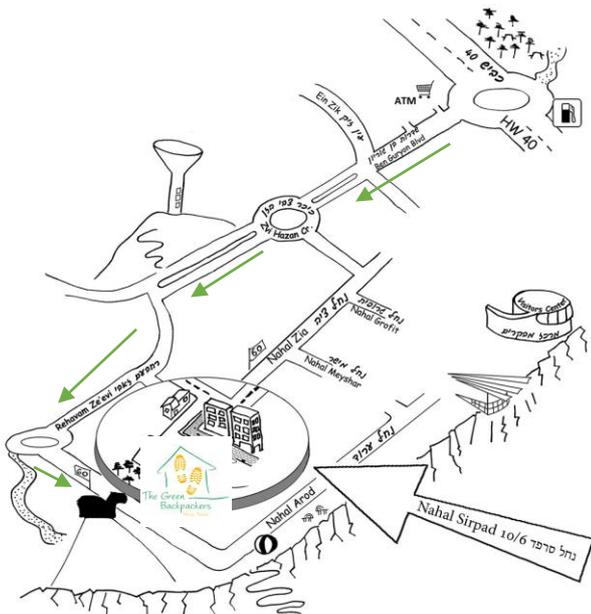

From there you need to walk on the main street (David Ben Gurion) towards west... (The bank and all should be on your right and the big traffic circle should be at your back).

Walk straight and pass one junction and then a small traffic circle, keep walking straight (do not turn at the traffic circle) and then you should take your first left turn. This is 'Rehavam Zeevi' st. but the sign is only in Hebrew...

Pass the big gym on your left and the high school on your right.

Go to the end of that street where you will find yet another small traffic circle and turn left.

You will see us on your left after a few more meters... The top of the building is painted Green.
